G1 Sport

Portable and automatic tire changer for racing competition and motorsport cars

Portable tire changer for race tires with rim from 13" to 19" (max. wheel diameter 640mm/25", max. wheel width 330mm./13").

Description

Portable tire changer for race tires with rim from 13" to 19" (max. wheel diameter 640mm/25", max. wheel width 330mm./13").
G1 Sport tire changer is the result of Giuliano know-how, applied to race car tires service, and it is uniquely dedicated to be used in most famous international motor sport events.
The tire changer has been specially designed for tire servicing in racing **competitions**, where **performance**, **speed**, and **power** are key factors for **winners**.

G1 Sport is **approved** & endorsed by the **best race tire manufacturers**.

Functions

- Pneumatic wheel clamping through center shaft and quick ring nut with nylon cone, to avoid any damage to the rim;
- Nylon made, self-centering support face plate, to avoid any damage to the rim;
- Adjustable bead loosener rollers, air operated, to break the bead of 13" - 19" race tires;
- Top bead fitting device all in one tool, including bead depressor;
- Equipped with "Easy-Move" transportation kit;
- Double rotation speed, 8 - 16 rpm;
- All mount and demount tools coated in nylon, in order to avoid any damage to the rim;
- "Easy Access" extractable pedal box for quick service.
